C O N T E N T S

The following tables contain three sets of Statistics for the ten-year period from April 1, 1965 to March 31, 1975. This ten-year period covers two five-year agreements between the Government of Canada and the Government of Newfoundland.

Sect. 1

In this section the place names, shown in capital letters, are Reception Centres. Below these Reception Centres are those communities (in small print) from which the families resettled in numbers as indicated in the various columns (the year of move).

Sect. 2

In this section is shown the communities from which families were assisted to move and the degree of evacuation, etc.

Sect. 3

In section 3, communities are grouped according to the number of families resettled from each community. The Totally Evacuated communities are noted by an asterisk.

Sect. 4

Summary of the ten-year program showing degree of evacuation and expenditure.
